The Class of 2016

Seniors 2016

President: Beth Shiyon
Vice- President: Sarah Monica
Secretary: Trevor Ladner
Treasurer: Tyler Butler

Well, Class of 2016, we did it. The time has finally come when we will walk across that stage, take our diplomas, and high school will be in the past. These four years have been a roller coaster of emotions and we have stuck by each other through all of them. We will always remember the most exciting moments of our high school years whether it be making history on a sports team, setting standards at a band competition, achieving honor roll, or winning the spirit stick during homecoming week. Although it is fun to dwell on the good times, there have also been trials and troubles. A true family sticks by one another through thick and thin, and that is exactly what we are. The hard times are when we all need each other the most, and saying goodbye to our dear friend and classmate, Glenda Rockwell, was one of the hardest things we have had to do, but we are able to make it because we support one another. Every single one of you has talent and potential to make the world a better place. Our love, our ambition, our kindness, and our determination is what will make us excel in the world and I cannot wait to see what we accomplish in the future. I am so thankful to be a part of this incredible class, and I wish everyone the very best. Stay fierce, stay striking, stay sovereign and just do it.

Your Class President,
Beth Shiyon

Class of 2017.

You are different. You are special. You are outgoing. You are intelligent. You are talented. You are superior. You are excellent. You are determined. This class strives to succeed in every way possible. They work hard and do their best. You are all amazing to me. I was honored serving as your Class President this year. We have come a long way since freshmen year. We have grown. Not just as a people, but as a class. Seeing each of your smiling faces everyday brings happiness in my life. Here is some advice, never quit. If you stumble, get back up. What happened yesterday, no longer matters. Today is another day, so get back on track and move closer to your dreams and goals. You can do it. Each and every single one of you are special in your own way. We have one year left, next year we will be seniors. Let us make next year the most unforgettable year of our lives. Here's to the Juniors.

Lights, Camera, Action! The Show- Stopping Sophomores are the stars of the show! From receiving 2nd place in homecoming week to having one of the best attendances in the school, WE ARE the #1 A-listers at Hancock High. Although we may be awfully famous, we never simply forget the school we represent. Hancock High. Hancock High will always be our first scene in our reality show. Always remembering our first day on the set, always forgetting our lines in our class scenes, and dread our last episode of the show. Season 1 as the Flawless Freshmen was a great start to it, and it helped us understand who we truly were as celebrities. Although our 2nd season is almost to an end, we still have many more to come, so let's keep those cameras rolling and get ready Class of 2018. Season 3 is on its way in 3... 2... 1.. ACTION!

Class of 2019

The fresh and the furious freshmen had a great start to our 4-year journey! We've finally made it through the intimidating times of being the "fresh meat" and the "babies". Although it felt like it was ten seconds, we will never forget the memories we made with our friends this year. From revving up at the pep rally's to turning gears in the classroom, I am proud to say that I am a part of the Class of 2019. Even though we had a great start, we have to keep the pedal to the metal for the next three years. Remember, the Class of 2019 does not have friends, we have a FAMILY.

Destiny Knizner

We look at you and wonder,
"where have all the years all gone?"
What happened to all our yesterdays?
It hasn't been that long...
Since you were learning how to ride a
horse.

And how to hold on tight.

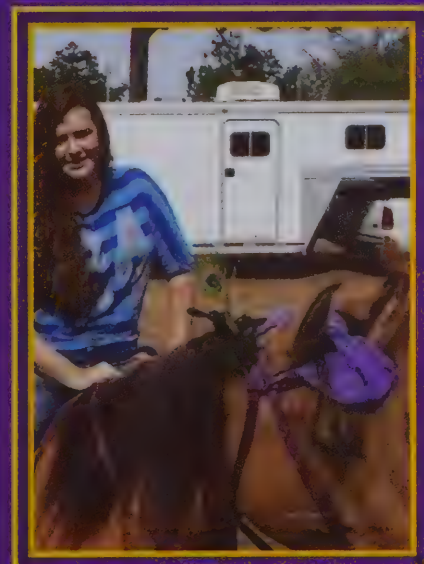

We look at you and wonder
at how the years go by.
Who showed you how to find your
wings?
Who taught you how to fly?

You stand before us on this day
prepared to step into a special chapter
of your life

We look at you and wonder...
and then we realize
The time has come to see you
Through a different kind of eye.

The one that you've grown into
Is a gift beyond the best.
So we tell you that we love you
and we count ourselves
... Truly blessed.

Love Mom, Grandma & Grandpa

Jadyn Lea Saucier

am always going to be here for
you through all of life's
obstacles. Love you!

-Sissy

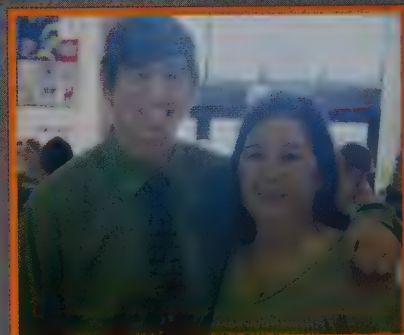

Trey,
We are very proud of the
wonderful young man that
you're grown up to be. We
closed our eyes for but a moment
and suddenly a man stood where
a boy used to be. You're strong,
kind and compassionate to
everyone you know. Stay that
way and you'll go far in life.
We love you!

-Mom and Dad

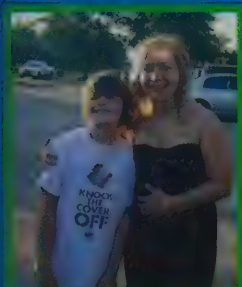

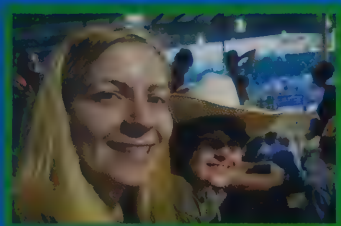

Trey,
Now that the easy part is over, it's
time to begin the hard part. You
already have such a great start on
life and are making the decisions to
get your future on the right path.
Keep up the hard work, clear head
and you'll accomplish anything in
your dreams. Taylor and I will
always be here with you to help
along the way. We wish you the best
of luck. We love you!
